The image shows a presentation slide with a light green background. On the left side, there is a vertical green bar. The slide content is as follows:

- Paquete hyperref** (in red text, followed by a horizontal line)
- Paquete
- Comandos

In the center of the slide, there is a white rectangular box with a green border. Inside this box, the text **Paquete hyperref** is written in a large, bold, dark green font.

At the bottom left of the slide, the text "Jimmy Borbor" is displayed. At the bottom right, the text "3 / 8" is displayed.

The slide features a light green background with a darker green header bar at the top. The header bar contains the title "Paquete hyperref" in white text, followed by a red square icon and the text "Paquete" in red, and a green square icon and the text "Contenido" in green. The main content area is white and contains a list of LaTeX configuration options for the hyperref package, each on a new line. The options are: colorlinks=true, linkcolor=red, anchorcolor=black, citecolor=green, filecolor=cyan, menucolor=red, runcolor=filecolor, and urlcolor=magenta. The text is in a monospaced font. A yellow rectangular box highlights the entire list of options. In the bottom left corner, the text "Jimmy Borbor" is displayed. In the bottom right corner, the text "5 / 8" is displayed.
